## **8.2 Llwybr Traeth Sincio Footpath**

Mae'r llwybr nawr wedi cael ei glirio a mae'r Cyngor Cymuned wedi cael caniatad i osod dwy neu dair mainc coffa ar yr ochr lle mae darn o laswellt. Awgrymwyd y dylai ddefnyddio deunyddiau cryf ar gyfer y meinciau gan fod yr ardal yn dueddol o gael gwyntoedd uchel a gall hyn achosi difrod. Gall cynllun ei ddatblygu i weld a os oes unrhyw aelodau o'r cyhoedd â diddordeb mewn buddsoddi tuag at y meinciau. Mae posib edrych ar Gronfa Shell am gymorth ariannol.

*The footpath has now been cleared and the Community Council have had permission to place two or three memorial benches on the side where there is a bit of grass. It was suggested to use strong materials for the benches as the area is prone to high winds and could cause damage. A scheme could be developed to see if there are any members of the public with an interest in investing towards the benches. Could possibly look at the Shell Fund for financial assistance.*

## **8.3 Gwaith clirio yn y parc / Clearing work in the park**

Adroddodd Rose Griffiths fod gwair wedi cael ei adael yn y parc mewn nifer o leoliadau gwahanol a gan fod y glaswellt nawr yn wlyb, mae llanast yn y parc a mae angen cael ei glirio. Oherwydd heymau lechyd a Diogelwch, mae pentwr o goed wedi cael ei symud ond mi oedd matiau ychwanegol wedi cael ei gadael ar ôl i'r parc gael ei adnewyddu. Mae angen casglu y glaswellt a'i roi mewn bagiau er mwyn iddo gael ei symyd. Atebodd Jack Longman y buasai'n helpu gyda'r mater yma.

*Rose Griffiths reported that grass had been dumped in the park in several different locations and as the grass was now wet, it had left a mess in the park which needs to be cleared. Wood piles have been removed due to Health and Safety reasons but there was additional matting left from refurbishing the park. The grass needs to be collected and bagged and taken away. Jack Longman replied that he would help with this matter.*
