Roger Dobson – Wylfa Newydd

10 Wylfa Newydd

Croesawyd Wil Ryan a Richard Foxhall i'r cyfarfod. Cafwyd grynodeb gan Richard Foxhall o'r hyn sydd wedi bod yn digwydd ar y safle hyd yma a sut mae'r prosiect datblygu yn dod yn ei flaen.

Deallwyd gan Wil Ryan bod Horizon wedi cyflwyno dau gais cynllunio i'r Cyngor Sir. Mae'r Cyngor Cymuned eisioes wedi trafod ac ymateb i'r cais i glirio a pharatoi'r safle. Nid yw'r cais ar gyfer gwaith i'r A5025 wedi ei dderbyn hyd yma. Cafwyd wybod mai dim ond dydd Gwener Rhagfyr 15 yr oedd wedi ei gofrestru gyda CSYM. Bydd angen ymateb fuan yn y flwyddyn newydd.

Fe ofynnodd yr aelodau am gadarnhad y byddai Horizon yn edrych ar ddiogelwch y gymuned a'u gweithwyr ac yn ystyried croesfan ger y garej yn Nhregele. Byddai ymateb gan y cwmni cyn y cyfarfod nesaf. Bydd y cwmni hefyd yn edrych ar gyflwr y lon yn dilyn gwaith SPEN yn adnewyddu ceblau trydanol.

Cadarnhawyd nad oedd gwelliannau i'r A5025 tuag at gyfeiriad Amlwch wedi ei gynnwys yn y cais cynllunio er bod y gymuned leol wedi gofyn ers y dechrau.

Nodwyd pryderon Roger Dobson ynglŷn ag oriau gwaith gweithwyr ar y safle. Nid oes ymateb fyth ynglŷn ag oriau gwaith unigol h.y. a ddisgwylir i weithwyr weithio yr un oriau a'r safle h.y. 60 awr yr wythnos? Bydd Wil Ryan yn ymateb cyn gynted a phosib.

Roedd pryderon byddai gwaith trin y lon a pharatoi'r safle (petai caniatad cynllunio yn cael ei gymeradwyo) yn golygu problemau traffig enbyd ar y lonydd, ac y byddai nifer o bobl lleol felly yn defnyddio lonydd eraill i deithio i'w gwaith ayyb. Mae'r lonydd bychain yma eisioes yn brysur a gyda problemau eu hunain.

Nodwyd bod y chwe cyngor – Partneriaeth Cynghorau Gogledd Mon wedi diogelu £1500 yr un gan Horizon tuag at gostau gweinyddol ychwanegol. Mae'r cynghorau i gyd wedi cytuno talu £500 i gronfa canolig fel bod y bartneriaeth yn gallu penodi arbenigwr i

gynorthwyo a chefnogi gydag ymateb i ddogfennau Horizon a chefnogi'r cymunedau lleol. Mae'r bartneriaeth ar hyn o bryd mewn trafodaethau gyda Horizon ynglŷn a'r ddogfen Tir Cyffredin.

Diolchodd Roger Dobson i gynrychiolwyr Horizon a'u is-gontractwyr am eu cefnogaeth a'u cyflymder wrth ddelio a phroblem parcio a mynediad yn ddiweddar. Mae'n bwysig rhoi adborth positif a chydhabod gwaith da weithiau hefyd!

Diolchwyd i'r cynrychiolwyr am eu mewnbwn a bu iddynt adael y cyfarfod.

Wil Ryan and Richard Foxhall were welcomed to the meeting. Richard Foxhall gave an overview of activities on site to date and how the development of the Wylfa Newydd project is progressing.

It was understood from Wil Ryan that Horizon have presented two planning applications to the County Council. The Community Council has already discussed and responded to the application for site preparation and clearance. The application for works to the A5025 has not been received as yet. Members were informed that the application was only registered with IACC December 15th and a response would be required early in the new year.

Members asked for confirmation that Horizon would look at the safety of the community and their workforce and consider a crossing by the garage at Tregele. A response would be provided by the company at the next meeting. the company would also look at the condition of the road following SPEN's work to upgrade the electricity cables.

It was confirmed that improvements to the A5025 towards Amlwch had not been included in the planning application even though the local community had asked for this from the beginning.

Roger Dobson noted concerns regarding the hours of work in the site. There is still no response regarding expected working hours i.e. are individuals expected to work the same hours as the site i.e. 60 hours a week? Wil Ryan would respond as soon as possible.

There were concerns that the road works and site preparation (if approved) would cause major issues on the roads, and that a number of local people would therefore use the back roads to travel to work etc. these minor roads are already busy and have their own problems.

It was noted that the North Anglesey Councils Partnership had secured £1500 each from Horizon towards additional administrative costs. The Councils have each agreed to pay £500 into a central fund so that the partnership can appoint a specialist to help and support with responding to Horizon's documents and support the local communities. The partnership is currently in discussions with Horizon regarding the statement of common ground.

Roger Dobson thanked Horizon's representatives and their sub-contractors for their support and swift response to deal with parking and access issues. It is important to give positive feedback and acknowledge support from time to time.

The representatives were thanked for their input and they left the meeting.

Bydd Cyng Aled Jones yn cwrdd a swyddogion yn y pentref yn fuan yn y flwyddyn newydd i drafod ymhellach. Cafwyd wybod gan Carys Davies bod llywodraethwyr a rhieni'r Ysgol yn bryderus iawn am ddiogelwch ffordd.
- Nododd Roger Dobson bryderon ynglŷn a diogelwch cerddwyr a diffyg palmant tuag at Tregele. Cyng Aled Jones i wneud ymholiadau a fyddai posib cau cilfan i gerbydau (yr hen lon) gan mai cam ddefnydd cerbydau yn parcio sydd yn achosi'r broblem. Byddai o fudd petai'r llwybr yn cael ei gydnabod yn lwybr swyddogol.
- Cllr Aled Jones will be meeting officers in the village early in the new year to discuss further. A crossing is needed in Tregele by the garage as well as by the roundabout for children to get to school safely. Carys Davies noted that the school governors were also concerned about road safety.*

Roger Dobson noted concerns about the safety of pedestrians and the lack of pavement towards Tregele. Cllr Aled Jones to make enquiries regarding the possible closure of the layby to vehicles (the old road) as it is mis-use by parked vehicles that is causing the problem. It would be of benefit if the path were formally recognised.

4.5 Cofeb / Memorial

Cafwyd wybod bod Cronfa Padrig am gyfrannu tuag at y prosiect sydd wedi ei gymeradwyo gan CADW, mae hyn yn golygu mai dim ond cyfrannu tuag at meinciau a planhygion sydd angen i'r Cyngor wneud.

Cronfa Padrig have agreed to contribute towards the project as approved by CADW, this means that the Council only needs to cover the cost of benches and any plants required.

6 Adroddiad Pwyllgor Cyllid / Finance Committee Report

Cafwyd grynodeb o'r cyfarfod gan Roger Dobson. Mae disgwyl ar Gareth Jones am ddiweddarriad ynglŷn a Caffi Bach Traeth Mawr. Bydd y gyllideb a'r cytundebau torri gwair i'w trafod ym mis Ionawr. Bydd posib hefyd clustnodi peth arian tuag at brosiectau yn Nhregele. Deallwyd bod Rhian Hayes yn ceisio trefnu cyfarfod gyda rhai o'r trigolion i drafod angenhion yr ardal. The issue of pedestrian access along the old road was also discussed (already discussed above).

7 Rheolaeth yr Harbwr / Harbour Management

Cafwyd adroddiad cryno gan Roger Dobson. Roedd copiau o'i adroddiad wedi'i dosbarthu i'r aelodau cyn y cyfarfod.

Mae'r pwyllgor yn argymhell codi ffioedd a diweddaru'r rheolau. Nid yw'r ffioedd wedi cynyddu ers 2007; mae'r newidiadau i'r rheolau yn dilyn cyngor cyfreithiol ar y mater yn ddiweddar gan nad oedd rhai o'r defnyddwyr yn talu eu ffioedd. Roedd aelodau'r cyngor yn unfrydol gefnadol o'r newidiadau.

Mae'r pwyllgor yn adnabod Piar Penrhyn fel adnodd hanfodol bwysig er diogelwch cychod yn yr ardal. Maent yn edrych ar hyn o bryd ar gael adroddiad arbennigol ar gyfer unrhyw waith angenheidol i'w ail-adnewyddu. Bydd pwyllgor yr harbwr yn cael tri pris am y gwaith ac yn arwain ar y prosiect.

Roger Dobson gave a short report. Copies of the report had already been circulated prior to the meeting.

The committee recommend increasing the mooring fees nad updating the harbour rules. The fees haven't been increased since 2007; the changes to the rules follow recent legal advice as some users were not paying their fees. Council members were unanimously supportive of the changes.

The committee recognise Piar Penrhyn as an essential asset for the safety of boats in the area. They are looking to get a specialist report for any necessary work and re-build. The committee will be seeking three quotes for the work and will lead on the project.

Byddai'r ail fwi, yn y maes parcio pellaf yn wyrdd (Archdeacon). Bydd hefyd peth gwaith yn cael ei wneud i godi'r byrddau gwybodaeth ger y Harry Furlong fel ei fod yn haws i'w darllen. Cllr Aled Jones to contact the relevant officers.

The colour schemes for the buoys in the proposed locations were discussed. Agreed that one would be painted in the colours of the Charles Henry Ashley with the name and relevant dates painted on it.
