5.3 Priseb 2018/19 Precept

Gydag cyllideb o £63,500, roedd y pwyllgor cyllid yn argymhelliant codi'r priseb 2%. Byddai hyn yn galluogi'r cyngor i ehangu'r gwaith cynnal a chadw yn y pentref, yn enwedig y llwybrau, cadw maes parcio Lon Glascoed am ddim i ddefnyddwyr, a chynnal dau set o doiledau yn y pentref.

Agreed that the precept for the council for the forthcoming year would be £26,010.

Rheolaeth yr Harwr / Harbour Management

Dosbarthwyd gopiau o adroddiad Roger Dobson i bawb oedd yn bresennol. Mae disgwyl adroddiad manwl gan Ifan Rowlands, archwiliwr sydd a phrofiad yn y maes morwrol yn y dyddiau nesaf. Mae disgwyl i'r adroddiad gynnwys hefyd syniadau a chynlluniau ar gyfer y dyfodol. Nododd Roger Dobson bod y strwythyr mewn cyflwr da am ei oed, ac y dylai'r rhwystr i atal pobl rhag mynd arno gael ei ail osod. Nodwyd bod heb pibellau Dwr Cymru ger y pier angen eu symud oddi yno. Y clerk i wneud ymholiadau.

Trafodwyd y grisiau i lawr i'r traeth o Bonc y Mor. Cytuno eu bod yn rhan o lwybr pwysig i lawr i'r traeth ac y dylid osod canllaw i'w diogelu ymhellach. Roedd y pwylgor yn argymhell mai'r Cyngor Cymuned fyddai yn talu am yr uwchraddio. Elfed Jones i gael pris am y gwaith.

Nodwyd bod y twll yn Wal Bach wedi gwaethygu yn ddiweddar. Mae Elfed Jones eisioes wedi bod mewn cysylltiad a CSYM. Mae Roger Dobson wedi ebostio hefyd i godi ymwybyddiaeth ar ran y pwylgor. Gofynnwyd i'r clerk gysylltu am ddiweddarriad.

Mae ymgynghoriad ar hyn o bryd gyda defnyddwyr yr harbwr ynglŷn a chodi ffioedd y flwyddyn ariannol nesaf.

Cafwyd wybod gan Derek Owen ei fod yn dal i edrych i fewn i berchnogaeth Piar Penrhyn, ac fe ofynnodd am gopi o gofnodion pwylgor yr harbwr o 1993-95 gan fod son am arian a dalwyd on ol i'r pwylgor yng nghofnodion y cyngor ond dim esboniad pellach. Mae'r cyn glerc Eric Torr yn cofio trafodaeth nad oedd y cyngor eisiau'r piar ac nad oedd y les wedi ei adnewyddu. Oedd hwn y les o 1989? Bydd angen trafod yn y cyfarfod nesaf os yw'r cyngor eisiau les newydd a chyfrifoldeb am y pier neu peidio.

Copies of Roger Dobson's report were distributed to those present. A detailed report is expected from Ifan Rowlands, a surveyor with maritime experience in the next few days. It was noted that there were some welsh Water pipes adjacent to the pier that needed moving. The clerk to make enquiries.

The steps down to the beach from Bonc y Mor were discussed. Agreed that they were an important access point to the beach and that a handrail be fitted to make safer for users. The committee suggest that the council pay for the upgrade. Elfed Jones to obtain a price for the work.

It was noted that the hole in Wal Bach was getting worse. Elfed Jones has already contacted IACC. Roger Dobson has also emailed to raise awareness on behalf of the harbour committee. The clerk was asked to contact for an update.

Derek Owen noted that he is still looking into the ownership of Piar Penrhyn, and he requested a copy of the harbour committee's minutes from 1993-95 as there is mention of money paid back to the committee in the council's minutes but no further explanation. Eric Torr, a past clerk, remembers a discussion that the council did not want the pier and that the lease was not renewed. Was this the 1989 lease? Whether or not the council wasn't a new lease and responsibility for the pier will need to be discussed at the next meeting.

Wylfa Newydd

Cafwyd ddiweddarriad gan Derek Owen o'r hyn sydd wedi ei drafod yng nghyfarfodydd Partneriaeth Cyngorhorau Gogledd Mon. Mae Horizon wedi cytuno ariannu arbennigwyr i gefnogi'r bartneriaeth i ddelio a'r cais DCO. Mae son bydd cynrychiolaeth o'r bartneriaeth yn ymweld a Hinckley gan fod y gymuned wedi, ac yn, gwynebu pryderon tebyg.

Nodwyd bod y Bartneriaeth wedi cael cyflwyniad gan arbennigwyr gwastraff a datgomisiynnu Horizon. Mae'n debyg eu bod yn gorfol cynllunio i'r gwastraff lefel uwch aros ar y safle am flynyddoedd lawer gan nad oes safle priodol wedi ei bennu hyd yma. Roedd y cyngor yn bryderus byddai'r gwastraff lefel uwch ar y safle am byth, a'r effaith byddai hyn yn ei gael ar ddiogelwch y gymuned a thwristiaeth yr ardal. Cytuno byddai o fudd gofyn i'r gwastraff tanwydd yma gael ei symud o Gemaes o fewn 10 mlynedd iddo gael ei dynnu o'r adweithydd. Byddai hyn yn rhoi cyfle i'r llywodraeth ddod o hyd i safle pwrrpasol.

Mae CSYM yn ymgynghori ar hyn o bryd ar eu canllawiau cynllunio atodol – Wylfa Newydd. Mae angen ymateb erbyn 22/2. Bydd Roger Dobson yn llunio ymateb i'w drafod yn y cyfarfod nesaf.

Mae Horizon wedi cynnig i'w tim archaeoleg ddod i gwrdd a'r cyngor. Cytuno byddai noson anffurfiol yn fwy effeithiol. Y cleric i gysylltu a hwy i wirio argaeledd.

Derek Owen gave an update of what's been discussed at the North Anglesey Councils' Partnership meetings. Horizon has agreed to fund consultants to support the partnership to deal with the DCO application. There is talk of representation of the partnership visiting Hinckley as the community there have, and are facing similar issues.

It was noted that the Partnership have had a presentation from Horizon's waste and decommissioning specialists. It appears that they must plan for the high level waste to remain on site for many years as there is no specific site identified as yet. The council were concerned that this high level waste would remain on site forever, and the impact this would have on the safety of the community and local tourism. Agreed that it would be of benefit to ask that this spent fuel be removed from Cemaes within 10 years of being removed from the reactor. This would give the government time to secure a purpose built facility.

IACC are presently consulting on supplementary planning guidance – Wylfa Newydd. A response is required by 22/2. Roger Dobson will draft a response to be discussed at the next meeting.

Horizon has offered that their archaeology team come to meet with the council. Agreed that an informal evening would be more effective. The clerk to make contact and check availability.

10.2 Strategaeth Toiledau Lleol / Local Toilets Strategy

Mae'r llywodraeth yn ymgynghori ar ganllawiau ar hyn o bryd. Cytuno ymateb yn datgan y dylai gwasanaethau a chyfleusterau o'r fath fod yn gyfrifoldeb canolig/cyngor sir yn hytrach na chymunedol.

The government are consulting on guidance at present. Agreed to respond stating that such services and facilities should be central/county county responsibility not on community level.

11 Unrhyw Fater Arall / Any Other Business

Mae si eto bod y ganolfan yn cau. Cadarnhaodd Aled Jones nad oedd y pwnc wedi ei drafod yn Llangefni, ac y byddai angen ymgynghoriad cyn gwneud y fath benderfynniad.

There are again rumours that the centre is closing. Aled Jones confirmed that the subject had not been discussed at Llangefni and that consultation would be required before such a decision could be made.

11.3 Capel Bethlehem

Fe ofynnodd Roger Dobson os oedd unrhyw un a mwy o wybodaeth ynglŷn a'r cyfarfod nos Wener a'r si bod y Cyngor yn prynnu'r capel. Cafwyd wybod gan Carys Davies bod grwp annibynnol tebyg i Cwmni Cemaes wedi i sefydlu i ddatblygu'r prosiect. Byddai mwy o wybodaeth ar gael yn y cyfarfod nos Wener. Cytuno byddai'r Cyngor yn gefnogol o'r prosiect fydd yn datblygu adnoddau a chyfleusterau i'r gymuned.

Roger Dobson asked whether anyone had any information regarding a meeting on Friday and the rumour that the Council were purchasing the chapel. Carys Davies noted that an independent group similar to Cwmni Cemaes had been established to develop the project. More information will be available at the meeting on Friday. Agreed that the Council was supportive of the project to develop resources and facilities in the community.

It was noted that someone had been appointed to prepare the publication.

It was noted that the chimney did not look very stable, Derek Owen to contact the owner.

12 Dyddiad y Cyfarfod Nesaf / Date of Next Meeting
