It was confirmed that a meeting had been arranged with the standards committee Monday February 11th for the relevant members.

11 Wylfa Newydd

Cafwyd ddiweddarriad gan Richard Foxhall yn dilyn datganiad Hitachi eu bod yn atal y prosiect dros dro. Daw'r datganiad yn sioc i bawb o fewn y cwmni a'r contractwyr hynny sydd yn gweithio ar y safle. Mae digwyl i'r rhan helaeth o'r rheini sy'n cael eu cyflogi ar y safle yn ogystal a'r rheini sydd yn cael eu ariannu gan Horizon mewn mudiadau eraill golli eu gwaith o fewn yr wythnosau nesaf. Deallwyd fodd bynnag byddai'r prentisiaid yn parhau o fewn y cwmni i gwblhau eu hyfforddiant. Mae disgwyl i'r ail-strwythuro fod wedi cwblhau erbyn diwedd y flwyddyn ariannol. Mae'n debyg nad yw Hitachi wedi gallu dod i gytundeb gyda'r llywodraeth o fewn yr amserlen perthnasol. Nodwyd fodd bynnag bod trafodaethau yn parhau. Nid oes cadarnhad hyd yma a fyddai'r broses gynllunio DCO yn parhau neu peidio. Os yw cais DCO yn llwyddianus, mae gan Horizon hyd at 10 mlynedd i ddechrau ar y gwaith o ddatblygu atomfa ar y safle.

Roedd yr aelodau yn ddiolchgar i Richard Foxhall am ei ymrwymiad i'r prosiect ac i'r Cyngor dros y blynnyddoedd diwethaf, ac yn siomedig iawn i glywed y newyddion am y nifer o swyddi sydd yn cael eu colli yn y gymuned leol. Nid yn unig hynnu ond mae'r tim sydd wedi cydweithio i ddatblygu'r prosiect hyd yma, y profiad a'r dealltwriaeth o'r ardal leol yn cael ei chwalu.

Roedd nifer o gwestiynnau i'w gofyn ond dim atebion ar hyn o bryd nes bydd y cwmni wedi ail-strwythuro ac yn gallu cadarnhau sut byddent yn symud ymlaen. Diolchwyd i Richard am ei fewnbwn a bu iddo adael y cyafarfod am 8 o'rgloch.

Dosbarthwyd adroddiad gan Roger Dobson yn dilyn y gwrandoiadau diweddaraaf fel rhan o'r broses DCO. Diolchwyd i Dafydd Griffiths a Roger Dobson am eu gwaith ar ran Partneriaeth Cynghorau Gogledd Mon ac am gynrychioli'r gymuned

Roedd y cyngor yn gefnogol bod y Bartneriaeth yn cysylltu a'r gweinidog perthnasol yn Llywodraeth Llundain i fynegi siom yn y sefyllfa bresennol a rhoi pwysau ar y llywodraeth i gymryd y camau priodol i gefnogi'r prosiect

Nodwyd bod y Bartneriaeth yn cwrdd a Horizon i drafod y datganiad tir cyffredin 24/1. Roedd cyfarfod Llanbadrig a Mechell gyda'r cwmni wedi ei ganslo oherwydd amseru'r datganiad gan Hitatchi. Nodwyd nad oedd unrhyw wybodaeth ychwanegol wedi ei dderbyn gan y cwmni mewn perthynas i'r ddogfen ers y cyfarfod diwethaf fodd bynnag. Cytuno cynnwys sylwadau Roger Dobson a Dafydd Griffiths yn dilyn y gwrandawiadau.

Richard Foxhall gave an update following the statement from Hitachi that the project was to be put on hold. The statement came as a shock to all within the company and those contractors working on site. It is expected that the majority of those employed on site as well as those funded by Horizon within other organisations will be made redundant within the next few weeks. It was understood however that the apprentices will stay with company until the end of their training. The restructuring is expected to be complete by the end of the financial year. It is understood that Hitachi has been unable to come to an agreement with the government within a set timescale. It was noted however that discussions were ongoing. There is no confirmation as yet as to whether the DCO application will proceed. Should a DCO application be successful, Horizon will have 10 years to start the work to develop the station on site.

The members were grateful to Richard Foxhall for his commitment to the project and to the council, and were very disappointed to hear of the number of jobs to be lost within the local community. In addition, the team that worked to develop the project, their expertise and understanding of the area is being lost.

There are a number of questions to be asked but no answers at present until the company has re-structured and can confirm how they will be moving forward. Richard Foxhall was thanked for his input and he left the meeting at 8pm.

Roger Dobson distributed copies of a report following the DCO hearings. Dafydd Griffiths and Roger Dobson were thanked for their work on behalf of the North Anglesey Councils Partnership and for representing the community.

The council was supportive of the Partnership contacting the relevant minister in Westminster to confirm their disappointment in the current situation and to put pressure on the government to take the necessary steps to support the project.

It was noted that the partnership was meeting with Horizon to discuss the statement of common ground 24/1. Llanbadrig and Mechell's meeting with the company had been cancelled due to the timing of the statement from Hitachi. It was noted however that there had not been any further information received from the company in relation to the document since the last meeting. Agreed to include Roger Dobson and Dafydd Griffiths' observations following the hearings.

Bydd Brian Potter yn archebu peiriannau sychu dwylo ar gyfer y toiledau stryd a chael trydannwr i'w gosod. Ni fu gwrthwynebiad.

The work required in the flat before it is let was discussed. Agreed that Derek Owen and Brian Potter manage the project. Agreed to look at the possibility of installing solar panels or an air source heat pump to save money long term.

- 7.3 Priseb/Precept**
Cytuno yn unfrydol byddai codi'r dreth 3.75% wrth ystyried cyfrifoldebau a chostau y Cyngor. Bydd hyn yn golygu priseb o £26,985.38.

Unanimously agreed to increase the rates 3.75% taking into account the Council's responsibilities and costs. This would mean a precept of £26,985.38.

Cynllunio / Planning

10.1

Ceisiadau / Applications

- Ffordd y Felin – roedd pryderon am or-ddatblygu, problemau parcio ac os oedd wir angen am y datblygiad – oedd unrhyw dystiolaeth bod angen mwy o dai yn yr ardal? Roedd pryderon hefyd am 'planning creep' a datblygiadau yn y dyfodol. Mae'r datblygiad presennol wedi achosi digon o broblemau i drigiolion cyfagos. Roedd yr aelodau yn gefnogol o ebost Dr Tom Conway.
- Eglwys Dewi Sant – cafwyd ebost gan Mr Mike Jones yn datgan siom am y datblygiad. Cytuno cysylltu ag o i gadarnhau sylwadau'r cyngor cymuned ac i bwysleisio mai cyfrifoldeb CSYM yw ymgynghori a thrigolion cyfagos
- *Ffordd y Felin – there is concern regarding over development, parking issues and whether there was a true need for the development – is there any evidence that more houses are required in the area? There is also concern for 'planning creep' and future development. The current development has caused sufficient issues for local residents. Members were supportive of Dr Tom Conway's email.*
- *St David's Church – an email has been received from Mr Mike Jones noting his dismay for the development. Agreed to contact Mr Jones sending the community council's observations and emphasising that consultation with near neighbours is the responsibility of IACC.*

Nid oes unrhyw wirfoddolwyr wedi dod ymlaen i helpu cynnal y gwasanaeth yn y pentref. Nid oedd gwrtwynebiad i'r syniad a cytuno byddai trefnu cyfarfod cyhoeddus i drafod dyfodol y cyfleuster a'r gwasanaeth.
