CCTV

Nodwyd bod Tim Turner wedi anfon gwybodaeth drwy ebost cyn y cyfarfod. Mae'r rhan helaeth o'r gwaith i uwchraddio a chyfuno'r system wedi ei gwblhau erbyn hyn. Roedd yr aelodau yn unfrydol dylai'r caemerau diffygol gael eu newid. Bydd y system wedi ei uwchraddio yn haws i'w reoli ac yn cadw y data am gyfnod mwy nag or blaen.

Roedd Tim Turner yn awyddus bod nifer o aelodau yn deal sut i weithio'r system newydd petai'r heddlu yn gofyn am gael gweld y data. Nododd bydai posib trefnu hyfforddiant ar gyfer yr unigolion hynnu. Teimlai'r clerk byddai mynediad i'r system drwyddi hithaufel cyflogai a swyddog cyfrifol y cyngor, y ganolfan dreftadaeth ac efallai un person arall yn ddigonol. Rhaid cofio mai system CCTV y Cyngor cymuned yw hwn a chadw o fewn rheolau GDPR. Bydd angen paratoi llythyrau i awdurdodi unrhyw unigolion a mynediad i'r data.

It was noted that Tim Turner had emailed information prior to the meeting. Most of the work to upgrade and integrate the system is now complete. Members were unanimous that the defective cameras should be replaced. The upgraded system will be easier to manage and save the data for longer than before.

Tim Turner was keen that many members would understand how to work the new system should the police ask to see the data. He noted possible training arrangements for these individuals. The clerk felt that access to the system through herself as council employee and responsible officer, the heritage centre and possibly one other person would be sufficient. It must be remembered that this is the community council's CCTV system and keep within the rules of GDPR. Letters will need to be prepared to authorise any individuals to gain access to the system.
