7.2 CCTV - Fe sylwir gan 4C Security wrth lawr lwytho y camerau ar y tabled nad oedd nifer o'r camerau yn gweithio. Cymerwyd 2 ddiwrnod i ddarganfod y broblem. Switch amheus ar un ac mewnlifiad dwr mewn dau ohonynt. Cafodd rhain eu newid dan warranti. Mae'r camerau i gyd wedi ei llnau bellach ond ni chafodd hyn ei wneud yn fisol fel a ofynnwyd. Mae'r camerau bellach ar tabled ac ar ffon Brian Potter. Dal i drio ffendio ffyrdd i yrru data o'r kiosk i'r Ganolfan Treftadaeth. Sylwir bod y camerau i ffwrdd eto, fe ymwelodd y peirannydd a gweld eu bod wedi tripio, gormod o straen ar yr RCB yn y system, mae hyn yn cael ei atgyweirio.
CCTV – *It was noticed on visit by 4C Security to download the cameras to the tablet, that several cameras on the harbour and far carpark were not working. This led to 2 days of checking all apparatus to find the problems, suspected switch on one and 2 cameras had water ingress, these were changed under warranty. These cameras then caused an overnight glitch which was resolved the following day with the replacement of another switch. All cameras have been cleaned although it was admitted that they weren't done monthly as requested. The cameras are now on the tablet and on Brian Potters phone. Still looking at ways to send data from the kiosk to the heritage centre.*
It was noted that the harbour cameras were off again the engineer came and found them to be tripped. It was concluded that the overindulgence of the RCB's in the system was fighting each other, this is being rectified.

Bu i'r Clerc yrru pob gohebath perthnasol ymlaen i'r aelodau drwy ebost fel y derbynwyd. Cafwyd ebost gan Jacqui Evans yn gofyn am wybodaeth gan y Cyngor Cymuned ar wahanol bynciau. Fe wneith y Clerc

yrru'r gwybaeth drwy ebost. Derbynwyd cwyn am wersylla dros nos yn maes parcio traeth pella a hefyd gwneud tannau ar y traeth. Mae hyn yn sefyllfa annodd l'w reoli. Awgrymwyd rhoi arwydd yn dweud bod y CCTV yn cofnodi cofrestr ceir efallai buasai hyn yn atal pobl rhag gwersylla. Clerc i gysylltu a Un Llais Cymru ynglyn a'r geirfa a ganiateir i roi ar arwyddion. Cafwyd ebost gan y Pwyllgor Carnifal yn gofyn am gynnal tan gwyllt ar y traeth. Nid oedd rhai aelodau yn hapus ynglyn a'r llygredd sydd fel canlyniad i'r tan gwyllt. Hefyd mae'r paledau pren fydd yn cael eu llosgi yn llawn hoelion. Nodwyd hefyd bod malurion yn dal i fod ar y traeth am ddyddiau wedyn. CSYM sydd yn gyfrifol am traethau felly cynnigwyd i'r Pwyllgor Carnifal gysylltu a CSYM gan esbonio eu planiau. Nid oes gan y Cyngor Cymuned unrhyw wrthwynebiad iddynt ddefnyddio'r maes parcio a phromenad y traeth. Hoffai Carys Davies longyfarch Mike Palmer o "3 Dads walking" am yr arian maent wedi ei godi tuag at PAPYRUS. Mae Mike Palmer bellach yn un o drigolion Cemaes.

The Clerk noted that any relevant items received by email are forwarded to members as and when they are received.

Email received from Jacqui Evans requesting information regarding various topics was read out. Clerk to email Jacqui with the information.

An email was received complaining about overnight camping in the far beach car park and lighting fires on the beach. Very difficult to enforce the situation therefore It was suggested to put a notice up saying that the CCTV has plate recognition perhaps this would deter overnight parking. Clerk to check with One Voice Wales as to what wording can be put on signs.

Email received from Carnival Committee requesting permission to hold bonfire and fireworks again this year. Some members not happy for the bonfire to be on the beach due to air pollution and the wooden pallets that they will be burning would be full of nails. One of the residents stated that debris from the bonfire are left on the beach for days. IOACC are responsible for the beach it was suggested that the Carnival Committee check with the Authority first. Community Council happy for them to use the car park and promenade on the night.

Carys Davies congratulated Mike Palmer who now lives in Cemaes and is one of the 3 Dads Walking for all the money they have raised for PAPYRUS.

9.1 *10/12 Stryd Fawr/High Street* - 10-12 High Street/High Street - Diweddariad gan Brian Potter. Bu'r pensaer yn cymeryd mesurau dylid ei derbyn wythnos nesaf a gweld os oes angen unrhyw newidiadau. Mae'r merched wedi gwagio y stoc o'r sied dim ond bwrdd a shiffoedd llyfrau sydd ar ol. Mae ffrynt y siop wedi ei godi blwyddyn dwyddaf oherwydd ei fod wedi pydru. Mae hyn wedi gwaethygu. Mae ymholiadau wedi ei gwneud ar gyfer bordiau ffashia plastig i orchyddio y darn sydd wedi pydru. Byddai'r gost o gwmpas £100 ac ryw £200 am eu gosod. Mae trefniadau ar gyfer gwneud arolwg 6 mis ar y larwm tan wedi ei gwneud gyda Menai Fire i gymeryd lle wythnos yma ar yr un telerau ariannol a Dragon Fire. Mae 4 golau nenfwd wedi methu fellly mae'r trydanwr am eu newid. Awgrymodd Elfed Jones rhoi drysau dwbwl ym mhen draw y siop erbyn fydd yn adeiladwyr yno. Penderfynnwyd nad oedd hyn yn

ymarferol. Penderfynwyd peidio codi rhent y fflat ar hyn o bryd nes bydd newid yn y tenantiaeth/ *An update by Brian Potter stated that the architect has taken measurements, he should have the basis for next week, and look at any changes to be made. The ladies have emptied all stock from the rear shed leaving only the empty bookcase and table. The frontage of the shop was raised last year, re the front skirt on the shop as being rotten, this has gone worse and is spreading. Brian Potter has investigated the price of self coloured plastic facia boards to go over the skirt and replace the old wood. The cost of materials is in the region of £100 and fitting in the region of £200. The fire engineer John Smart of Dragon Fire has retired, however he has arranged for another fire. engineer, Menai Fire, to conduct the six month alarm test later In the week, on the same financial terms as Dragon Fire. There are 4 failed ceiling lights in the shop, electrician to replace. Elfed Jones suggested putting double doors in the far end of the shop as access for the builders, it was decided that this was not practical. It was decided to keep the rent of the flat the same for now perhaps look into it again when/if there is a change of tenancy.*
