*Dei Owen asked if possible for someone to have a look at trees in Nant y Sgrwngi as a few of them look quite unsafe. Derek Owen will ask Andrew Ganderton. Derek Owen expressed concerns that trees in Gwelfor Estate are hanging over onto the by-pass, they were last cut by IOACC. Derek Owen received an email from Arwel Mae Highways Department regarding the unfinished footpaths, he was meeting with the Contractor this week. It was suggested that the Clerk write to "Nature for All" requesting to see accounts and clarification of spend for the grant they received for Nant y Sgrwngi – approx. £40,000.00. Elfed Jones showed members photos of the benches around Tregele which looked in a bad state of repair and it was agreed they need changing. Elfed Jones to get quotations for new benches. Also the bollards, bus stop and bins need painting he will also get quotations for work. It was noted that a plaque in memory of Mrs Lightbound will be placed on the Harbour wall to commemorate all her hard work for the village. *Lowri Jones showed photos of the proposals. It would be more cost effective for the Community Council to arrange to carry out the groundwork themselves. There are no monkey bars or sensory equipment in the plans which need to be incorporated.*

*Money received from the Carrog Battery Farm could fund the project for the first year and perhaps Cronfa Padrig could help financially. A follow up meeting will be arranged at the Hwb with the children of the village, Creative Play will attend to*
