Mae'r cheini yn cael eu monitro yn reolaidd gan tim dan arweiniad Mr Dafydd Williams a gobeithir I fwy o waith gael ei wneud ar ddiwedd y tymor. Whilst the work is running late this year due to illness of volunteers it is hoped to get ahead for next year with a programme of works to be done and hopefully more volunteers. The chains are continually monitored by a team headed by Mr Dafydd Williams and hoping to do more more work at the end of the season. Dafydd Williams told the members that there may be a chance that the small pier will be repaired after he met with people from the Crown Agency in June who are very interested in seeing the pier repaired and would fund the work, but there will be conditions, further meetings will take place.

8.6 10/12 High Street - Jacqui Evans
Ms Evans had met with Brian Potter last week to enquire about the expenditure on the building work at the back of 10/12 High Street.
Ms Evans told the meeting that she had concerns regarding the amount spent on the building to date and that in her opinion the work was unnessesary. Ms Evans told the committee that they had not followed the financial regulations and correct procurement in obtaining quotations for the work. She asked if the Clerk could send her a list of invoices paid to date for labour and materials over the last two years. The expenditure does not amount to half of what Ms Evans suspects it to be.
