A suggestion was made to have the 2 park inspections by Medwyn Owen and Creative Play running consecutively.

5.4 Harbour Committee – A report from Brian Potter was read out by the Clerk.

mynd ymlaen â gwaith ar yr harbwr wedi bod yn anodd oherwydd ei bod yn ddiweddar yn y tymor ac oherwydd y tiwristiaid. Mae'r fflagiau a bynting wedi cael ei gosod diolch I Dave a Walter. Mae wal yr harbwr yn dal I fod yn bryder mawr, hefyd y wal ar dop y pier sydd yn cario trydan a pwer I'r CCTV a gwasanaethau eraill. Mae'n bwysig I'r wal cael ei chynnal a cadw mewn cyflwr da er mwyn arbed difrod I'r offer petaent yn cael eu golchi I ffwrdd. Mae gohebaeth gyda Anglesey Scaffolding wedi bod yn mynd ymlaen ynglyn a rhoi scaffold ar dop y wal gyda chost o £10,000.00. Gan fod pwyllgor yr Harbwr yn rheoleiddio defnydd o'r harbwr ac yn codi arian drwy gynnal a chadw angorfeydd ni fydd byth ddigon o arian I gynnal a chadw strwythur o'r fath sydd yn gwasanaethu llawer o ddibenion yn cynnwys rhwystr amddiffyn llifogydd y môr. Mae Derek Owen eisioes wedi siarad ag CSYM a Llywodraeth Cymru I ofyn am gyfrnadiad tuag at costau atgyweirio ond nid ydynt yn fodlon gwneud os nad oes difrod wedi digwydd I'r safle yn barod. Awgrymwyd gofyn I Cronfa Padrig am arian. Gofynnodd Jacqui Evans am gostau atgyweirio ond mae costau bellaf wedi ei gwneud ers 10 mlynnedd. Fe wneith Derek Owen gysylltu â Adran Morwrol CSYM yn y lle cyntaf am gymorth ynglyn a ceisio am arolwg peirianneg arbenigol sydd yn delio ag amddiffynfeydd môr. Hefyd fe edrychith Mike White I fewn I hyn hefyd.

Work has been difficult to carry out due to lateness in the season and tourists. The flags and bunting are up thanks to Dave and Walter. The harbour wall is still a major concern, there is also concern regarding the wall on top of the pier which carries electricity cables for lighting and power supplies to the CCTV and other services. It is important that it is well maintained and kept in good condition to save a lot of expense should this equipment be washed away. Talks taken place with Anglesey Scaffolding regarding work on the top wall at a cost of £10,000.00. As the Harbour Committee regulates the use of the harbour and raises funds for mooring maintenance, it will never have the funds required for major maintenance of the sturcture that serves many purposes including the sea flood defence barrier.Derek Owen has prviously spoken to IOACC and Welsh Government to ask for funding towards repair costs but they will only fund if damage has already occured. It was suggested that funding should be saught from Cronfa Padrig. Jacqui Evans asked for costings for repairs but the existing costing are 10yrs old. Derek Owen will contact Maritime Dept IOACC in the first instance for advice regarding specialist engineering companies dealing with sea defences also Mike White will look into same.

Dywedodd y Clerc wrth y pwyllgor ei bod wedi siarad a'r Adran Etholiad CSYM ac mae ar ddeallt bod yr Adran yn edrych I fewn I wardiau Cynghorau Cymunedol Ynys Môn I gyd a bydd gohebaeth am hyn yn cael ei yrru allan yn y man.

9. Ymgysylltu â'r Gymuned

Dywedodd aelod o'r cyhoedd ei fod yn bryderys o rai o'r sylwadau ynglyn a'r Cyngor a oedd yn cael eu trafod ar dudalennau eraill ar facebook ni ddylai hyn fod yn cael ei wneud. Mae gan y Cyngor Cymuned dudalen facebook ei hunain er mwyn cyhoeddu dogfennau y Cyngor I'r cyhoedd allu eu gweld. Awgrymwyd I edrych ar amgen gwahanol o gyfryngau cymdeithasol fel Instagram I gael ei sefydlu gan y Cyngor Cymuned er mwyn denu y genhedlaeth iau.
